Why Ferryhill?

Ferryhill is a good area for rental properties and first time buyers, it is a small town in South-Central County Durham, England, with a population of around 9,000. Ferryhill lies on the medieval Great North Road, which leads to Durham City Centre and Newcastle upon Tyne to the North and Darlington to the South. The town grew in the 1900's around the coal mining industry. The last mine in the area closed officially in 1968 and Ferryhill has since gone through recent regeneration from the Central Council, improving the local area with schemes including; demolishing old properties to create open green spaces and building new property. The area has also received eco funding through a Green Scheme, to improve EPC ratings by the use of Solid Wall Insulation for older properties.

There are many regular community events in Ferryhill, including, a weekly Friday market in the town centre, an Annual Summer Gala, Christmas markets, parading of miners banners, vintage car rallies, art and photography exhibitions along with many more. The local Mainsforth Sports Centre is an award winning sports complex. Ferryhill Carrs is a designated local nature reserve on the eastern side of the town.

There are also two large Amazon Logistics Centres nearby in Darlington and Bowburn, which have created 1000's of new jobs in the area. There are also proposals to reopen Ferryhill railway station
