Why Hartlepool?

Hartlepool is the second-largest settlement in County Durham, after Darlington, with an estimated population of 92,600.

Hartlepool has been a major seaport since it was founded, it has a long fishing heritage and the economy has historically been linked with the maritime industry, something which is still at the heart of local business and brings in tourism to the area with places such as the National Museum of the Royal Navy. The docks are still in use today and still capable of handling large vessels and a marina capable of berthing 500 vessels. Hartlepool has a modern town centre. Middleton Grange Shopping Centre is the main shopping location with 2800 people employed in retail.[52] The ten major shops in the town are Tesco, Morrisons, Asda, Next, Argos, Marks & Spencer, Aldi, Boots and Matalan.[52] Along with local entertainment venues include a VUE Cinema and Mecca Bingo.

Hartlepool's Church Street is a hive of activity. Fully restored to its former glory Church Street is full of beautiful architecture and is crammed with bars and restaurants, Church Street attracts thousands of revellers every weekend. Hartlepool nuclear power station is the single largest employer in the town and Engineering & the Chemicals industry are both important to the local economy as well.

Hartlepool has good road links and also a train station which lies on the Durham Coast Line with hourly services to Sunderland, Newcastle and Middlesbrough, and has a direct rail link with London which takes around three and a half hours.

Investment Opportunity

We bought a property in 2022 but due to personal reasons have needed to sell and Readylet have made this a stress free process. When we purchased the property, a tenant had already been identified and so there was nothing for us to do and so a really 'hands off investment.
