Why Easington?

Easington is another village on the east coast of County Durham with a population of about 7k. Originally developed around the coalmines, Easington Colliery was the last pit to close on the Durham Coalfields in 1993. It is located near the A19, which travels north to Seaham and Sunderland as well as south to Peterlee and Stockton-on-Tees. It is only 2 miles from the new train station that has opened up in Horden in 2020.

Horden railway station on the Durham Coast Line, runs between Seaham, Sunderland and Newcastle to the North and Stockton and Middlesbrough via Hartlepool. This train station has improved transport links, offering new commuting and leisure possibilities and providing further opportunity for economic growth. Easington has a number of useful local shops and the nearby town Peterlee has a busy town centre with Castle Dene Shopping Centre with over 80 retail shops and services, including Argos, Asda, Boots, Iceland, Lidl, McDonalds and many independent retailers. There are 22 schools rated good and 1 excellent in a 3 mile radius.

Investment Opportunity

We bought a property in 2022 but due to personal reasons have needed to sell and Readylet have made this a stress free process. When we purchased the property, a tenant had already been identified and so there was nothing for us to do and so a really 'hands off investment.
